

Updating BankLink Books

Updating BankLink Books is easy – you do it from inside the software:

To update BankLink Books:

- 1 Click **Help, Check for updates**

When checking for updates your client file must be open.

BankLink Books displays a confirmation window

- 2 Click **Yes** to continue

BankLink Books accesses the update website and compares your software version to the latest version, then displays a list of the updates available

- 3 Click the check boxes beside the updates you want to download and click **Download Now**

BankLink Books downloads the updates and displays a confirmation window informing you that the updates have been downloaded and asking if you want to install them now

- 4 Click **Install Now** to install the updates you have downloaded
- 5 Follow the prompts to complete your BankLink Books update
